RE: Idaho Falls Group Home #2 (Wanda), provider #13G029

Dear Mr. Redden:

This is to advise you of the findings of the Medicaid/Licensure Fire Life Safety Survey, which was concluded at Idaho Falls Group Home #2 (Wanda), on August 3, 2009.

Enclosed is your copy of a Statement of Deficiencies/Plan of Correction, form CMS-2567, which states that no Medicaid deficiencies were noted at the time of the survey. Also, enclosed is a similar form stating that no State licensure deficiencies were noted at the time of the survey.

Thank you for the courtesies extended to us during our visit. If we can be of any help to you, please call our office at (208)334-6626.

Sincerely,

ERIC MUNDELL, REHS Health Facility Surveyor

Facility Fire Safety and Construction Program

Any deficiency statement ending with an asterisk (*) denotes a deficiency which the institution may be excused from correcting providing it is determined that other safeguards provide sufficient protection to the patients. (See instructions.) Except for nursing homes, the findings stated above are disclosable 90 days following the date of survey whether or not a plan of correction is provided. For nursing homes, the above findings and plans of correction are disclosable 14 days following the date these documents are made available to the facility. If deficiencies are cited, an approved plan of correction is requisite to continued program participation.
